Conservator of Forests (SF) and Asst. Conservator of Forests, Extension.

Sub:- Social Forestry Works – Deviation from guidelines -

Ref:- This office No. SF3 -19635/83 dt. 19-12-1983.

In the meeting held on 3<sup>rd</sup> and 4<sup>th</sup> December, 1984, it was informed by any Asst. Conservator of Forests that due to the restrictions contained in the guidelines is sued earlier from this office as well as the office of the Chief Conservator of Forests. Some of the works like underling .underling etc. Could not do done in time and also to the extent required. The matter was considered in detail and it is clarified that wherever deviation is found absolutely essential the Asst. Conservator of Forests any deviate form the guidelines is used with prior approval by the Regional Deputy Conservator of Forests. In such on see the reason for deviation must be recorded clearly in the nursery journal or plantation journal as the use any be and also in the conserved file. This will apply to Manning, weeding, soil working, watering nursery, providing shade pandal or any other item.

The guidelines is sued earlier from this office of general mature and do not take into consideration the conditions of each and every locality. Hence these instructions are issued.

Yours faithfully,
