Trivandrum, Dated. 7-3-1988

ORDER

The Question of sanctioning rates for the work of uprating the sandalwood trees has been engaging the attention of the Government. Chief Conservator of Forests in his letter read above has forwarded proposals in this regard. Test work to arrive at a rate was done and the following data was collected. 4 men mazdoor worked 46 hours to uprate 3 sandalwood trees of standard size. Considering 8 hours' work for a male mazdoor 1.9 man mazdoors are requested for the work of uprating one sandalwood trees.

After examin the matter in detail Government order that for uprating dead sandalwood trees including cutting lines, through the bush to reach the surroundings to facilitate digging around and trinning the branches. 1.90 ordinary man mazdoor per tree for ordinary areas will be allowed. The above rate will be increased in the rates 1:1, 125:1.25 for ordinary, difficult and very difficult areas, this will be included as a new item in the Forest Schedule of rates.
