ORDER

In the Govt. order read on fourth paper above, the schedule of rates for certain items of forest works such as felling and conversion, elephant dragging and transport of timber and firewood has been revised. For transportation of timber, 45% increase in the rates approved in the Government order read as first page has been sanctioned. For transportation of firewood, on enhancement of 25% of the rates approved in the Government order read as second pages has been sanctioned.

2. The Chief Conservator of Forests ha later requested to extend the transportation rate by 50% (include of 49% recommended in his G.O.letter read as third paper. Government approve the above suggestion of Chief Conservator of Forests and they are pleased to issue orders enhancing the transportation rates of timber firewood and poles by 50% of the rates sanctioned in the Government orders read is first and second paper. Para 2 (iii) and (iv) of the Government order read as fourth paper stands modifie to this extent.

3. Government also ordered that the powers to whether an area is difficult of etc. will vast in the Chief Conservator of Forests.
