Read:- i) Government Memo No.26663/F3/64/AD dated 27-5-1964.  
ii) Correspondence resting with letter No.C3-43381/64 dated 3-6-1965 from the Chief Conservator of Forests.

**ORDER**

In the Government Memorandum cited, sanction was accorded to the Chief Conservator of Forests to negotiate with the K.D.H.P Company to purchase 300 tons of Eucalyptus Grandis wood for conducting Industrial tests by the Gwalior Rayon Company. It was also ordered that the Company should pay to Government a higher price so as to cover the seignior age payable to Government by the K.D.H.F. Company.

2. The Chief Conservator of Forests has reported that accordingly 300 tons of Eucalyptus wood have been released to the company on realization of value at Rs.60/- per ton claimed by the K.D.H.P. Company pending recovery of seignior age value due to Government. Government have not so far fixed seignior age rate for Eucalyptus Grandiswood since the department has not been in a position to market this wood. Since the supply made in the instant case was for an experimental industrial test the Chief Conservator of Forests has recommended that a rate equivalent to the seignior age rate for firewood i.e. Rs.225/- per stacked ton of 81 cft. may be ordered to be realized from the Company.

3. In the circumstances stated by the Chief Conservator of Forests, Government accept his recommendation on a special case, and order accordingly on the specific condition that this will not become a precedent for future supplies if any.
