In the G.O 1st cited, Government have clarified that this special pay payable to Drivers which comes under class I (b) of Appendix IV of Part I KSRs will not be paid during periods of earned leave, half pay leave and for surrender of earned leave. In Annexure VI of the G.O. IInd cited, orders were issued among other thing, revising the rates of special pay allowed to Driver.

2. A doubt has now arisen whether this special pay can be given to Drivers during the period when the vehicle is kept in the workshop for repairs. When the vehicle is garaged for repairs to a long period or when the vehicle has been condemned sold, the drivers have no arduous work and as such it is not responsible to special pay to the indefinitely. Govt., there fore clarify if the vehicle is garaged to repairs for more than sixty days of the event of the vehicle is condemned/sold and the driver is not engaged in the duty of driving the vehicle for more than sixty days continuously the driver will be paid the special pay after the sixtieth day.
