N. Sivanandan, Forest Guard before the then Rang Officer, Flying Squad, Trichur. The statement reveals that the officers in this Range were aware of the smuggling of Government timber, even before it was brought to light by the press (press cutting of Januayugam daily dated, 30-9-1978).. They are silent about this in the appeal petitions filed before Government nor did they point out that the statement made by Sri. Sivanandan was wrong. The Range Officer has felled on his part to act in spite of his willful knowledge of the smuggling and of the smugglers. Besides the piece of Rosewood tree traced out as evidence was also smuggled by the Range Officer, the Guard Sri. Philip, and the Forester Sri. Jayan. It is understood that the smuggling of the timber was made about 10 months before the news appeared in the press. Sri. T.P. Antony, Forest Guard took charge in this beat on 27-9-1978 and Sri. V. Achuthan, Forest Guard had a service only for 1 month and seven days before 24-5-1978. They are to be absolved from the charges against them. Similarly, Sri. Sivanandan, Forest Guard who is less experienced in service and also gave information to the Range Officer and also gave information to the Range Officer and co-workers about the smuggling then and there also deserves no punishment and the Government orders accordingly. The following officers are found to have failed in their roles in booking the smugglers and trying to recover the smuggled, wood and in trying to destroy the evidence i.e. the piece of wood, without reporting:
