In the order read as Ist paper, the penalty on unremoved charcoal has been enhanced to Re.1/- per bag against the old rate of 13 paise per bag. The Chief Conservator of Forests has reported that the above penalty of Re. one per bag does not seem reasonable when compared to that fixed per Metric Tonne of unremoved charcoal that the penalty may be reduced to 15 paise per bag. In the circumstances, sanction is accorded to reduce the penalty for unremoved charcoal from Re. One to 15 paise per bag. The Govt. Order read above is modified to this extent.
