## **ORDER**

It has been reported that as per departmental rules no amount above Rs.50/- should be received in cash at a time except in the case of part realization of value at the time of sales. When sales tax revenue is also collected, it happens that this amount will be exceeded. The Chief Conservator of Forests has stated that in the circumstances there is no harm in receiving sales tax amount in cash without any monetary limit and that the amounts will be remitted into the Treasury, whenever forest revenue collection is remitted. He has requested to issue orders allowing this procedure.

It is seen that the Depot Officers and Range Officers are not allowed to keep unremitted balance exceeding Rs. 100/-. In order that the difficulty arising out of observing the above procedure is obviated, Government are pleased to order that the maximum amount that the Range and Depot Officers are allowed to retain is enhanced to Rs.300/- in the case of Range Officers and Rs.500/- in the case of Depot Officers. The remittance should be made on the due dates according the upper limit fixed.
