Sub:- Supply of cone at concessional rates to Industrial Co-operatives.
Ref:- Letter No.D1-19470/82 dated 5-12-1962 from the Dist. Collector, Trivandrum.

The Dist. Collector is informed that according to existing practice the contractors of the rattan coupe shall issue permits for all rattan workers, basket workers and for other bonafide uses of the people in the locality at existing seigniorage rates as directed by the Divl. Forest Officer on production of certificates from the Inspector for the collection and removal of rattans. Government consider that this concession is enough and that no more concession can be granted as it will adversely affect the Government Revenue.
