

Copy of letter No.C1-36702/60 dated 9-12-1960. From The Chief Conservator of Forests, Trivandrum, To the Secretary to Government, Agriculture (Forest B) Department.

Sub: Forests - Punalur Division - Rubber Plantation area - Alatharamala Block II and Ayiravally Blocks II to VI sale of tree growth.

Ref: Govt. Memorandum F (B) 3-66539/60-5/AD dated 8-12-1960.

In their order cited above, Government have been pleased to order that offers for 92 1/2% and above may be invited, that is, sales can be confirmed in the names of those who make offers above 92%.

In this connection, I suggest that to give effect to this order, it will be necessary to conduct a re-auction. To avoid delay, I may be permitted to invite re-auctions of all the coupes for which no purchaser has been fixed up, through 3 Dailies. There is not time for Gazette notification. Individual notices of the sale will also be sent to all those who have participated in the previous auctions of the same coupes. If this is done, this resale's can be conducted within 10 days. I am issuing instructions to the Conservators accordingly. Fair price will be the same fixed for the previous auctions, Resale's already notified will be conducted as usual, with upset price as 92% of fair price fixed and offers of and above 92% will be confirmed by the Conservators.

This aspect has been pointed out in the light of the uniform method prescribed for valuation which is lightly different from what has been done so far, copy of the uniform procedure prescribed in enclosed for reference.

My action may be ratified.

Sd.  
Chief Conservator of Forests.

Copy with copy of G.M. to Conservators for necessary action.
