

GOVERNMENT OF KERALA
Abstract

Copy of Chief Conservator's Circular No. 21/64 dated 11/31-12-1964 on C2-42419/64.

Sub:- Contracts- Petitions for extension due to Food Shortage-

Many petitioners are being received from contractors for extensions of contracts on the plea of food shortage. It is noted that the works in many coupes have only just begun and it is too early to judge whether any extension will be justifiable or not. The Conservators of Forests and the Divl. Forest Officers will see that the works in the coupes are not slackened or are slowed down by contractors unduly in the hope of getting extension mentioning the food problem. The Plantation programmes cannot be allowed to be upset on any account.

SD/- For Chief conservator of Forests.

Copy to

All the Conservators of forests.
