

C I R C U L A R N O.17/79

Sub:- Departmental extraction of timber- Engaging Tribal who have given training in Forestry operations Instructions issued.

.....

It is seen that 45 candidates belonging to tribal community were given training in forestry operations such as falling and logging of trees for a period of three months during 1975-76 in Nilambur, Nemmara Divisions and another 15 candidates were given similar training in Attapady Division during 76-77 and again 15 candidates were given training in Trivandrum Division during 77-78.

Extraction of timber etc. is now being undertaken in certain division departmentally. Training was given to the above persons on the understanding that the logging workers so trained by the Department will be given preference over others when timber operations are carried out departmentally. Most of the above trained persons are still idling without any proper job. Hence it is hereby directed that when departmental extraction of timber is undertaken the tribal who were trained in Forestry operation may be given employment. The details of the above persons may be had from the Inspectors concerned of Tribal Welfare Department.
