2. The Chief Conservator of Forests has requested Government to ratify the action of the Conservator of Forests, Quilon in having entrusted the additionally marked trees to the original contractor for being worked down to the Depot as per terms and conditions of the original agreement and also to grant extension of the period of contract by one month free of penalty in order to carry out the additional work.

3. Government have considered the question and are pleased in sanction the proposal of the Chief Conservator of Forests referred to in para 2 above.
