For Chief Engineer

Copy of Technical circular No.7/69 dated 22-6-1969(Metric 4/69) from the Chief Engineer, General, Buildings & Roads, Trivandrum.

Sub:- Schedule of Rates 1969 – Additions to and clarification of :

1. The hire charges for cart have been included in the schedule of Rates, 1969, which has come into force from 1-4-1969.

In addition, worked out rates for the conveyance of various materials by cart, are now published. For the guidance of officers. These shall form part of the 'schedule of rates – 1969' already forwarded.

2. In the statements published with the new Schedule of Rates, 1969, furnishing worked out rates for conveyance of materials by lorry and boat, the rates for every additional kilometer, given in the last column of the statements for lorry conveyance, and in the last two columns, of the statements for boat conveyance, are intended for every additional kilometer or part thereof.

Therefore the words or part thereof may be added in the columns mentioned, after the words, every additional kilometer to make the matter more clear.

3. It is pointed out for the information of Officers, that the worked out rates given in the statements in the new Schedule under "Conveyance of Materials by head load (Manual Labour)" include provisions for picking up, carrying and despositing the materials, except those given in the last column, which are for carriage of the materials only.
