Sanction was accorded in the G.O read above, among other thinnings for employing 8 coolies at Rs.5/- each including the hillmen already sanctioned in connection with the survey of inter district boundary between Kottayam and Quilon Districts.

The Secretary, Board of Revenue (Survey) has reported in his letter read above that the scheme for survey of the remaining portions of the District boundary between Quilon and Kottayam is unworkable as the number of coolies sanctioned for the work is insufficient and requested that orders issued in the G.O. read above may be reviewed and orders issued for the employment of 12 coolies as proposed earlier.

The Govt. have reconsidered the question in the light of the report of the Board of Revenue and are pleased to accord sanction for the employment of 8 more coolies in addition to the 8 coolies sanctioned in the G.O read above at the rate of Rs.5 per day for a period of 2 months.

The expenditure will be met from the head “9 L.R (b) (vii) B4-contingencies—Demarcation charges”.
