Dated 16-1-1964

Read 1. G.O.MS. 275/63/PW dated 4-7-63

2. Letter fin. (4) 47365/63 dated 28-9-63 from the director of Agriculture.

**ORDER**

In the Go. read as the first paper above, it was ordered that the government servants who occupy government residential quarters in high range should pay rent at 7 ½% of the pay for the full occupation and 2 ½% of the pay when shared by more than two officers as laid down in G.O. fin. (C) 5-15223/51 dated 19-9-1952.

A doubt has since been raised by the director of Agriculture as to where the term "High Range" would include all hilly tracts class I and class II mentioned in appendix IX of K.S.R. and whether the concession of recovery of rent at 7 ½% of the pay could be made applicable to government servants who occupy Government Quarters in all hilly tracts class I and class II

Government wish to clarify that the term High ranges mentioned in G.O. MS.275/63/PW dated 4-7-63 includes only I in Appendix IX of the K.S.R and that the Concession of recovery of rent at 7 ½% of the pay of the occupant is not applicable to governments who occupy government quarters in hilly tracts class II in the state.

By order of the governor  
T.K. NARAYANI, Asst. secretary.
