

Copy of the letter No.P1- 43946/89 (Circular No.21/89) dt.4.10.1989 of the Chief Conservator of Forests, Trivandrum addressed to all Conservator of Forests, All Divisional Forest Officers, All Wildlife Warden/ Wildlife Preservation officer, All working Plan officers

.....

It has come to the notice of the undersigned that in some of the forest divisions Acacia plantations are being raised even now in the reserve forests although there are clear directions to the contrary.

Hence all the subordinate officers are directed not to undertake planting of Acacia in the reserve forests. If any area is to be planted with Acacia in the reserve forests, prior approval of Chief Conservator's Council is necessary. All the officers are requested to follow these instructions scrupulously.

The receipt of the circular should be acknowledged.
