Read:- 1. G.O. (Rt.) 825/62/Fin. Dated, 31/3/1962

2. Letter No. A5-29512/61 dated 24-8-1962 from the Chief Conservator of Forests

ORDER

IN the G.O read as first paper above, orders have been issued to open a sub head of account "S. Plantation of quick growing species" under "10 (b) Conservancy and works (11) Schemes under the Five Year Plans" to accommodate the expenditure already incurred for implementation of the scheme during 1961-62. The corresponding head of account in the 1962-63 Budget is "70 Forests (b) Conservancy and works (11) Schemes under the Five Year Plans – S. Plantation of quick growing species". But as this sub head does not find a place in the budget for 1962-63 sanctioned is accorded to incorporate the same under "70 – Forest".

2. In his letter read as second paper, the Chief Conservator of Forests has pointed out that, as expenditure on account of pay and allowances of the staff has also to be booked in the year 1962-63 in addition to the expenditure on account of works which alone was contemplated in 1961-62, orders may be issued to open necessary heads of account under "70 – Forest (c) Establishment (v) Schemes under the Five Year Plans" to book the expenditure on account of pay and allowances.

3. As Government have not passed orders regarding the creation of posts it is premature to issue Orders now to open necessary heads of account to debit the pay and allowances of the staff. The Chief Conservator of Forests is therefore requested to take up this matter again if sanction is accorded for the creation of the posts.

By Order of the Governor,
K.V.Thomas,
Asst, Secretary
