

Copy of Circular No.10/69 (A5-10949/69) dated 28-3-69 from the Chief Conservator of Forests, Trivandrum to all subordinate Officers

Sub:- General review of works expenditure

Accountant General has pointed out that several works have been executed by the Forest Department without sanctioned estimates and expenditure on many such works is pending regularization. I am constrained to remark that the action of the Officers who executed the works is quite irregular in this regard. It is hereby ordered that no work should normally be taken up under any circumstances without proper estimate sanction. Irregular expenditure on works etc. contrary to this direction will not be ratified as a matter of course.
