### ORDER

The Chief Conservator of Forests has requested Government sanction for a Memo of cost amounting to Rs.64.63 (Rupees sixty four and sixty three np. Only) for payment of daily wages to the cavady on elephant “Nalanda” during 1967-68.

2. Government consider that there is no need to sanction a memo of cost, where there are no rules for doing so and that this procedure (not according to rules was adopted before, is authority for repeating it) How payment of Wages can be sanctioned by approving a Memo of cost is also not clear. This is an item of expenditure to be met from the contingencies of the institution concerned. As however this relates to wages paid, Government ratify the action of the Divisional Forest Officers in having incurred the expenditure.

3. The memo of cost and completion certificate are returned to the Chief Conservator of Forests.
