

Copy of letter No. VE3-2437/81 dated. 4.6.81 from the Chief Conservator of Forests, Vigilance, TVM to the Range Officer & copy to CFs & DFCS:

Sub: - Intimation of commencement of contract and depl. Works.
Ref: - Nil

In this office even No. dated. 23.4.81 all the Range Officers in the Department were directed to intimate the date of commencement of works costing Rs.0,000/- under certificate of posting and they were also directed to acknowledge receipt of the order. It is surprising to note that a few Range Officers have not acknowledged receipt of the order and they are hereby directed to comply with the instruction.

In certain reports received from the Range Officers the essential details such as Number of sanctioned estimate and the amount of the estimate are not seen noted. This omission is avoided

Range Officer is hereby informed that if any work is taken up without intimating this office under certificate of posting as already instructed, it will be construed as a suspicious case and drastic action will be taken against the delinquents.
