Abstract

AGRICULTURE (FOREST) DEPARTMENT

G.O.Rt.2409/72/AD

Trivandrum, Dated 18-10-1972

Read :- G.O.Rt.2663/AD dated 31-8-70 letter No. G4-8565/71 dated 18-8-71 from the Chief Conservator of Forests.

ORDER

In the Government Order read above, the labour rates have been enhanced in the Forest Department on a par with those in the Public Works Department. The Chief Conservator of Forests has reported that this revision in effect applies only to those items for which the quantity of labour is assessed. Where the rates are calculated taking the unit basis other than labour, no enhancement could be applied and they remain constant as per the old rates sanctioned prior to 1961.

In view of the above position, the Chief Conservator of Forests has requested that the rate for elephant dragging may be revised. At present the rate for elephant dragging is Rs. 80/-. The Chief Conservator of Forests has pointed out that this is inadequate and impracticable and has requested that this may be revised.

The present rate for elephant hire is Rs.50/-. Deducting the elephant hire of Rs.50/- the balance available is Rs.30/- which is quite insufficient to meet all the other expenses such as fodder, food grains, Jogory etc, batta of mahouts, collection charges of Vakka and labour charges for making Vakka ropes etc. The Chief Conservator of Forests has, therefore, suggested that as the labour rates have now been revised to double the rates prior to 1961, the amount that is intended for meeting the other expenses of elephant dragging may be doubled and fixed as Rs. 50/- plus 60/- ie. Rs.110/-. The question has been examined and Government order that the Schedule rate for dragging of logs by elephants hires fixed in item 139(a) will be revised and fixed as Rs. 50/- plus 50 = Rs. 100/-.

By order etc.
