Dated, Trivandrum, 5.3.1979

Read: 1. G.O.Rt.15/74/AD. Dt. 19.1.1974

2. Letter No. P3-21833/76 dated. 8.7.1976 and 10.5.1978 from the Chief Conservator of Forests.

ORDER

In the G. O .Rt. Government issued orders ratifying the action of the Chief Conservator of Forests in having adopted certain rates in respect of the following items of work with effect from 9-1-1978.

- i. Clearance of boundaries and fire lines for fire protection.
- ii. Thinning works in Plantations and
- iii. Nursery works.

The Chief Conservator of Forests has reported that after conducting test work on fire protection measures' at different places the Conservator of Forests, Industrial Plantation Circle prepared revised data for fire protection works. The Chief Conservator of Forests reported to Government that according to the revised data finalized and approved by him, the average outturn of work of clearing outer boundary to a width of 5.2 meters comes to 50 meters (for one man mazdoor per day) and the same in the case of fire tracing. On this basis 20 men mazdoors will be required for clearing boundary line to a width of 5.2 meters and fire tracing for 1 km. length respectively. He has requested to approve this data for fire protection works.

Government are pleased to approve the above data. The action of the Divl. Forest officer, Industrial Plantation Division, Vazhachal and Perumuzhy in having incurred expenditure based on the revised data is also ratified.

By order of the Governor,
K. Ramaswamy,
Joint Secretary.
