

Copy of Circular No.48/76(P3-72422/75/D. Dis) dated.12.7.1976 from the Conservator of Forests (Planning) i/c of Chief Conservator of Forests (D) to All Conservator of Forests, Divl. Forest officers etc.

Sub :- Formation of nursery bed – clarification- issued

Ref :- 1. Circular No.12/76 dated.17.2.76 (P3-72422/75) of the C.C.F.

2. Letter No.P3-12764/76 (K. Dis) 18.5.76 of the C.C.F.

3. Letter No.IPI-1570/76 dated.20.4.76 of the C.F.I.P. Circle

4. Letter No.E1-1675/76 dated.3.6.1976 of the C.F. Spl. Circle. Kozhikode

The Conservator of Forests, I.P.Circle, Perumbavoor and the Special Circle, Kozhikode have raised certain doubts and sought clarification on the size of standard nursery bed issued in the Circular 1<sup>st</sup> cited. In continuation of the letter second cited the following clarified orders are therefore issued in the matter.

The size of standard Teak Nursery bed Rs. Specified in the Minimum wages committee report is 12.19 x 1.219 x 0.30 m. This standard bed requires 5 Kg. of good quality teak seeds. Therefore the standard width and depth of the nursery bed should be fixed at 1.219 x 030 m and length according to convenience of the site chosen for raising the nursery.
